A WEEKEND WORKING WITH THE FIGURE IN ANY DIMENSION

**Sponsored by the Alberta Society of Artists in partnership with
W.E.C.A.N Society/ Harcourt House**

March 27 & 28, 2010

**Harcourt House Art Centre 10211 112 Street Edmonton, AB
T5K 1M7**

Go Figure

Challenge yourself! Spend a weekend exploring your creativity.

Models will be available in both the Painting/Drawing studio and the Sculpture Studio for two days of intensive figure study in both two and three dimensions. Artists are encouraged to expand their exploration of the figure, pushing their boundaries and moving outside their normal practice. Take the opportunity to experiment in a different media or a different dimension.

If 'new' is not what you are looking for, settle in to your favourite grove and spend the weekend working with the figure in your own comfortable space.

Due to space limitations and to allow participants as much flexibility to move from room to room as possible participant numbers is very limited! Sign up early to reserve your space.

Workshop Fee

Alberta Society of Artists & Harcourt House Members: \$50.00

Non-Members: \$60.00

Please make cheques payable to the ALBERTA SOCIETY OF ARTISTS.
