### ***The Alberta Society of Artists Gallery at Walterdale Playhouse***

The Alberta Society of Artists is programming 5 two week exhibitions at the Walterdale Playhouse in the 2010 – 2011 season starting fall of 2010. The exhibitions are featured in the lobby area of this theatre located at 10322 83 Avenue in Edmonton, Alberta. The space is suited for two - dimensional artwork that can be hung on wires from hanging rods. (A security system is in place for all art shows). The lobby space can accommodate about twenty art pieces. As this space is suitable for art sales, no artist fees will be paid. A small commission of 20% will be divided between the Walterdale Playhouse and the Alberta Society of Artists on all sales.

The Walterdale Playhouse produces a special Artists Night complete with the featured play and art show. During this evening the artist(s) are encouraged to invite guests to view the art show and to fill the auditorium for the evening's performance. The artist(s) will be expected to man the exhibition between 9:00am and 3:00pm on Saturdays during the run of the show and also encouraged to provide some art demonstrations, when appropriate. The artist(s) will also be expected to assist in the hanging and dismantling of their art show.

The gallery will be open during all performances that the theatre operates as well as the two Saturdays during the day to take advantage of the traffic from the Strathcona Farmers Market, next door, and from Whyte Avenue.

Alberta artists and groups of artists are invited to submit exhibition proposals and up to 20 images of artworks (representative examples of the type of artwork for the proposed exhibition). Works to be included in the exhibition can include any 2-D medium with dimensions no larger than 48" in any direction. (Preference will be given to small Group Art Shows). Solo applicants may be asked to show with another artist.
